

"I cannot speak highly enough of the experience. From start to finish, it exceeded my expectations and left a lasting impression on both my professional growth and personal development. I am immensely grateful for the opportunity to have participated and look forward to applying what I've learned in my career moving forward."

-Matt Dusablon, US Army Veteran

Acknowledgements

The kind gift provided to Stronghold Leadership on behalf of Trinity Wealth funded nearly half of Matt's total education.

Matt's Outcome

Following his time in the Stronghold Leadership Program, Matt secured a position as a Program Manager at CAES, an engineering firm and DoD contracted agency. Matt applies every day information learned during the Stronghold Leadership program to his current work. Trinity Wealth's kind gift has helped change Matt's life.

Thank you!

Allocation Summary

Funds were distributed to cover educational costs for a United States Armed Forces Veteran. In Matt's case, funds were used to provide him education in Project Management (PMP) and Change Management (CMP).

ABOUT STRONGHOLD LEADERSHIP

Stronghold Leadership prepares transitioning service members and veterans for corporate employment through professional certification training in Project Management, Change Management, and Process Improvement.
